## Our INITIATIVES

### EMPOWERING WOMEN THROUGH SKILL DEVELOPMENT IN MEGHALAYA

As part of the Pradhan Mantri Kaushal Vikas Yojana (PMKViY), AtoZ Virtual, in collaboration with TBL Education, DIC, and TSC, successfully trained 400+ individuals in Jacquard Handloom Weaving using advanced Digibunai software for fabric design. With 95% of the participants being women, this initiative highlights our strong commitment to women's empowerment and social responsibility, while preserving and promoting traditional handloom artistry through modern technology.
